The five color bead lesson says it like this: gold represents heaven, dark stands for sin in our life, red is for the blood Jesus shed on the cross for each one of us, white is for the forgiveness of our sin, and green represents growth in the faith of a Christian life that we should have after we accept his salvation plan. Young and old, men and women have worked together to make Walking Sticks that will be used to share Christ with thousands. We will have an evening, where we will share some pointers in doing this effectively on July 26 th @ 7:30pm @ MacGregor Sommerfeld Mennonite Church.
